“Robert Fux is one of the most fabulous personalities that Stockholm has ever had.”

(Nöjesguiden)

Queer Queen Assoluta Robert Fux and orchestra Originalljudet presents a no-mercy piece of performing arts. Equipped with latex gloves and 20 cm stilettos they confront morality ladies, macho men and the silent gray masses suffocating stranglehold. About the right to do what you want, decide about your own life and stand out. Originalljudet and Robert Fux manage to create a small refuge from reality.

ROBERT FUX is an actor and performer. Known as the diabolical host of award-winning variety show Night Club Giraffe. He is also a founder of the Drag-Circus at Kolingsborg, a member of performance group Cunigundas Mothers and the performing arts collective Three bears and a hamster, as well as for the burlesque club Hootchy Kootchy.

ORIGINALLJUDET uses saxophones, bass, accordeon, electronics, tuba, brainwave, sough machines, drumchairs, piano and percussion to create their unique sound. They combine ruff and twisted melancholy, limping polskas, sad melodies, gunslinger tangos and lovesick camelgrooves with out of tune circus ound. In april 2010 their first record was released.
